**DETAILED ACTION**

***Status of Application***

1. Claims 1-2, 4, 9-11, and 13-32 are pending. Claims 20-32 are new.
  2. Receipt and consideration of Applicants amendments/remarks filed on November 2, 2009 is acknowledged.
  3. Rejections not reiterated from the previous Office Action are hereby withdrawn.
- The following rejections are either reiterated or newly applied. They constitute the complete set of rejections presently being applied to the instant application.

***New Grounds of Rejection***

***Claim Rejections - 35 USC § 112***

4. The following is a quotation of the second paragraph of 35 U.S.C. 112:  

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
5. Claims 1-2, 4, 9-11, and 13-32 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1 and 20 recite "A method of manufacturing a deodorant including the steps of..." The term "including" in the claims is vague and renders the claims indefinite. It is unclear whether claims 1 and 20 recite all the method steps required for manufacturing a deodorant or just "includes" some of the steps required for the production of a deodorant. It is suggested that the Applicant utilize language such as "comprising" in the claims.

***Response to Arguments***

Applicant's arguments with respect to claims 1-2,4,9-11, and 13-19 have been considered but are moot in view of the new ground(s) of rejection.

***Conclusion***

6. No claims are allowed.
